

Subject: Internship Recommendation

To whom it may concern

Patrick Sieber worked in the Marketing Department under my supervision for a period of two months in 2013. During that time, Patrick made a significant contribution to the department.

Patrick has exhibited a combination of speed and accuracy that has enabled him to develop several mobile apps and mobile optimized websites.

Patrick was able to follow directions in a thorough and detailed manner and also worked very independently without close supervision when it was appropriate. He easily worked on multi-layered tasks and balanced multiple projects concurrently.

Patrick's English verbal and written communications skills allowed him to relay information in a clear and coherent manner.

I enjoyed having Patrick as part of the Marketing team and impressed with what he has accomplished. I would give him my strongest recommendation for roles which require innovative & technology driven thinking, and organization. Please feel free to contact me if you need additional information..

Sincerely,

Laetitia Donovan
